FOREWORD

The 1961-62 Panther Tale Staff takes great pride and pleasure to present their successful efforts to you through the presentation of your 1962 yearbook.

It is our fondest wish that you will cherish the memories which these pages of familiar faces, friends, and student activity hold for you. As you scan through this book in later years we hope that then you will find, as you do now, happiness in the recollection of your experiences at Duncanville High School

IN MEMORIAM

RICHARD MILTON PULLIS

DEDICATION

GEORGE B. WHITLEY

You have known great men such as Columbus and Lee.
You have fought fierce battles---World Wars I, II, & III.
Of all these things, the students you've told.
You say, "Civics and history never grow old."
Not just in the classroom but on the football field
You've shown your loyalty, courage, and will.
As Davy Crockett once taught, you've also said,
"Be sure you are right--then go ahead."
And so, Coach Whitley, in honor of you,
We dedicate this Panther Tale of 1962.

SUPERINTENDENT OF SCHOOLS

DUNCANVILLE PUBLIC SCHOOLS

The central thought used in your annual this year should be challenging. Permit me to present a thought or two, some of which are borrowed.

I love a hand that meets my own with a grasp that causes some sensation.

Other parts of the body assist the speaker but the hands speak for themselves.

The hand is the mind's only perfect vassal; and when, through age or illness, the connection between them is interrupted, there are few more affecting tokens of human decay.

By them we ask, promise, invoke, dismiss, threaten, entreat. By them we express fear, joy, grief, our doubts, assent, or penitence; we show moderation or profusion, and mark number and time.

Sincerely,

J. Herman Reed, Superintendent
